JUBILEE CHALLENGE 2016

Who's up first? Lisa at 4:30am, followed by Alexander who kindly put the chairs out for breakfast. Some birds are singing and there is a sense of tranquillity. At 5am exactly, the theme from Chariots of Fire wakes up the whole camp site. The smell of cooked breakfast wafts around the campsite. At 7am we gather in a huddle for a team talk. Rucksacks are ready with snack packs and drinks. And then at 7:30 am we are off!! Only 7 ½ miles to go! We are one of 38 schools taking part in the Jubilee Challenge.

The first half of the route is hilly - up hilly!! There's a stream - we can't go over it, we can't go under it, we can't go around it, we will have to go through it! We get to the last check point and then have the final walk to the finish line. The crowds are cheering us on and everyone is smiling. There is a huge sense of achievement- we did it!

We are incredibly proud of all the students who took part – well done! A special thank you to the fantastic staff who gave up their weekends to join in the Jubilee Challenge. A lovely weekend for us all!

NSPCC BIG BOARD GAME DAY

This year we are celebrating NSPCC Big Board Game day on Thursday 26th May 2016. We are inviting students and staff to pay £1 to bring in their favourite board game to play in school with friends or to dress up as a favourite board game character. As well as practising our numeracy and literacy skills we will be having lots of fun and all money raised will go to the NSPCC to support their work with vulnerable children. Look out for more information on this fun event coming soon!

SOUTH GLOUCESTERSHIRE COUNCIL PRIDE AWARD

We are proud to announce that Bryan our Cleaning Supervisor won the Pride Award for Customer Care. We nominated Bryan for his cheerfulness and reliability and in recognition for going the extra mile, especially when the school flooded. His actions enabled children to get back in their classrooms with minimal disruption. Congratulations and thank you Bryan.

CAN YOU HELP?

We are looking for someone to look after our precious stick insects, Spike and baby stump (plus eggs) over the half term break. They don't ask for much, just that they are sprayed with water daily and given some new brambles – if they are good! If you are interested, please contact me via the school office. Thank you.
