Girls are welcome to attend without an adult, but will need to be picked up at 4.30pm on a Monday. The afterschool club will only be able to happen if we get sufficient take up. ### Become a Friend of BAS

Bristol Autism Support relies on private donations to cover our day-to-day running costs. These include things like equipment, insurance, storage, printing, venue hire, volunteer expenses and all of the other big and little things that keep us going. Donations help us to support parents and unpaid carers of autistic children across and around Bristol both online and with events and training.

Our Friends of BAS monthly donation scheme is a way you can help us to continue and expand our work. By becoming a Friend of BAS, you will ensure we can provide practical, accessible support for and improve the wellbeing of families affected by autism.

In addition to the gifts noted below, as a Friend of BAS you will receive special offers and invitations, as well as quarterly updates on how your money has been spent.
