BUILDING WORK

After a lot of planning we are delighted that phase 1 of our remodelling and refurbishment work will start next week, phase 1 will take from July to October 2016. In preparation, Mint and Juniper classes have moved out of their classrooms temporarily but will be back for the new term. During phase 1 the meeting room, Senco room, Family Support Worker room, and resource room will be refurbished. The swimming pool changing rooms are also being demolished so our pool will not be in use for a year whilst the changing rooms are rebuilt. Alternative arrangements are being negotiated with the local authority for hydrotherapy and will be confirmed before the end of term. Phase 2 of the building work will start in November and will be a refurbishment of the rest of the school. This will include a new build for Post 16, therapy rooms, and specialist teaching rooms. Overall the building work will take 2 years, but it has been planned in phases to minimise disruption to the day to day running of the school. This means that there will be various areas being worked on at different times.

SCHOOL REPORTS

Your child will be bringing home their end of year school report in the next few days. We have provided two copies for you so that you can share them with other family members. They have been redesigned to clearly show the progress that has been made in each area this year, along with photos- we hope that you like them.

CORIANDER'S PLANT SALE

Pupils in Coriander tutor group recently held a plant sale. They built a flat pack greenhouse, then grew all the plants from seed and looked after them. They re-potted them, labelled them and manned the stall. They made a fantastic £100.75 and are going on an epic end of year trip paid for entirely by the money raised! Thank you to everyone who bought plants from us, we'd love to see some photos of them or hear about how you used the vegetables!

Emily Hingston

END OF YEAR CELEBRATIONS
