I am delighted to report that Penny Cutbill from South Glos Parents & Carers, will be joining us for this event. Penny has a wealth of extremely useful information, knowledge and understanding of SEN, and a personal interest in supporting parents/carers to access a wide range of services and activities. South Glos Parents and Carers work to help improve services for children and families living in South Glos. They offer Parent Courses and Workshops and bring parents and professionals together, so that they may learn together, by running engagements, focus groups, joint events and information sessions.

*Please come and join us – you will be made most welcome!*

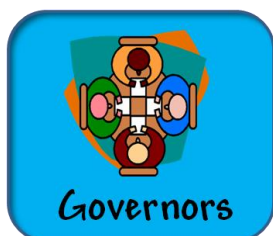

## BUILDING WORK UPDATE

Phase 1 of the building work is on schedule to be completed by next Friday. Mint and Juniper classes have already moved back and are watching as, day by day their outdoor learning area is transformed. After half term, there will be a new therapy room, sensory room and both the staff room and medical room will be relocating to that area.

Phase 2 works are still at the planning stage, but work should start in early 2017. This includes the building of the new Post 16 block, the swimming pool changing rooms, the therapy suites, and refurbishment of existing rooms including specialist teaching rooms. This work will continue until July 2018 although we hope to have some areas including the changing rooms in operation by September 2017.

## PARENT GOVERNOR

Would you like to make a difference? If so, you might like to consider becoming a parent governor, to assist in the decision making processes for the school; ideally we would like someone with financial skills. Meetings are currently held on Wednesday afternoons from 1.15 pm.
