MAKING YOUR VOICE HEARD

Do you want to make sure your voice is heard about the services and support re: SEND in your local area? If the answer is yes, we would love you to join us at one of the engagement events running this autumn. South Glos Parents and Carers are co-facilitating these events and need Young People, Parents and Carers to take part. The more views the better! Your views will then help the working group write the SEND Strategy for South Glos. To check dates and venues log onto the The South Glos Parents and Carers website to book your venue and time. Booking line closes 5 days before each event.
