Friends Of Page Park

We are looking for help on Saturday 7th October 9.30am-1pm

The other planting parties have been working during the week so this is a chance for those unable to help out mid week to come along and join in.

We will be planting the new beds around the Clock Tower, the east side of the Broad Street entrance, the bed by the children's play area, the circular area around the tulip tree, and by the tennis pavilion.

Please bring your own tools if you can.

Making Your Voice Heard

Do you want to make sure your voice is heard about the services and support re SEND in your local area?

If the answer is yes, we would love you to join us at one of the engagement events running this autumn. South Glos Parents and carers are co facilitating these events and need Young People, Parents and Carers to take part.

The more views the better!

Your views will then help the working group write the SEND Strategy for South Glos.

To check dates and venues log onto the the South Glos Parents and Carers website to book your venue and time.
