

School Council meeting 7th February 2017

         
Today we talked about what we could do to slow

    
drivers down outside the school.

          
We are going to write a letter to the police and see if

         
they can help us to stop people driving too fast.

          
We also did some planning for Red Nose Day. We are

          
selling red noses and will tell everyone they can buy one

 
at school.
