## 24<sup>th</sup> January 2017

School Council

24th

January 2017

School Council

thought about

car

parking

at

school

The

main

problem

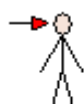

is

for

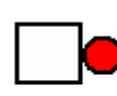

students

who

travel

by

car

with

their

families.

It

is

difficult

to

get

into

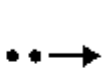

the

car park

and

then

find

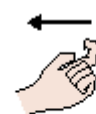

a

space.

School Council

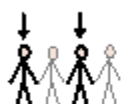

came

up

with

some

ideas

and

will

see

what

Lisa

thinks about

them.
