

 31st

 School Council Meeting 31st January 2017

 Lisa came to listen to School Council. Last week School Council

 visited the car park. They saw someone driving very fast

 in the car park by the side of the school.

 They had an idea how to stop this. When the

 buses have gone then one of the barriers

 can be put down. Lisa said this was a good idea.

 School Council also had some other suggestions that

 Lisa will talk to other people about.
