### Bristol Primary Panathlon

On Tuesday, eight lucky pupils were selected to take part in the Wesport Bristol Primary Panathlon. They played nine different sports such as Boccia, ploybat, new age kurling, football goals, basketball points, and bean bag throws.

The pupils were playing against other schools such as New Siblands, New Fosseway and Cuilverhill.

All of the points were added up and we are very proud to have come out as the winners of the day!!!

Each pupil received a medal, certificate and a red comp t-shirt. The pupils also received a trophy and a plaque.

The level of involvement, focus, enthusiasm and sheer enjoyment on the faces of the pupils was wonderful.

The pupils were fantastic and they were a credit to Warmley Park School.

Well done Warmley Park KS2 pupils.

Due to high demand for places, IPSEA will be running another Foundation SEND law training session for parents and carers in London on Friday 8th December 2017. It will provide parents, carers and family members of children and young people with all types of special educational needs and/or disability (SEND) with an introduction to the law relating to the education and training of children and young people with SEND.

You do not need any previous knowledge of SEND law but must be the parent, carer or family member of a child with SEND. **For more information & how to book please ask at The School Office.**

### Rugby /football boots needed

Do you have any old football boots that you no longer need?
