NINO - A TRULY INSPIRATIONAL STORY

We love to hear all about our past pupils and what they are getting up to. Nino ,who left Warmley Park in July 2017 has been keeping very busy. Nino was one of the first participants of Spectrum's May 2015 Pilot Programme, before starting work experience the following year. More than 18 months on, Nino has been awarded regional winner for a Premiership Rugby Parliamentary Award and has secured a place at Bath College while continuing to work one day a week at Ashton Gate with Bristol Rugby.

We are all proud of Nino. His mum, Sharon says *'inspiration is the word that comes to mind when I think of Nino, and that inspiration has been facilitated through Spectrum. A lot of people don't believe in young people with additional needs but Spectrum does and I will be forever appreciative of Kris Tavender and the team at Bristol Rugby for accepting Nino and encouraging him to be part of the team. They dispel ignorance and show that our guys are worth the funding, support and effort.'*

Well done Nino your journey is amazing !!!

If you have any good news stories about previous Warmley Park students, please do not hesitate to get in touch through the School Office. It is so fantastic to hear what great things our young people are achieving.

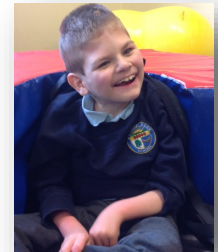

GOOD CITIZEN AWARD JANUARY 2018

We are proud to announce our first Good Citizen for 2018. The award goes to:

DANIEL

Daniel was nominated by Lisa Parker for using the switch to say hello every morning.
Well done Daniel, you are a star!

BOCCIA WINNERS FOR WARMLEY PARK SCHOOL

In the first week of term, three of our students from Post 16 took place in The Lord Taverners National Boccia Competition. Ryan, Reece and Ben played against Brimsham Green and Three Ways schools and won the league for the area! The students are now through to the Regional event in May. What a fantastic achievement boys, good luck for the next game!

GOVERNOR LEARNING DAY

Last week, three of our School Governors spent the day at school a Governor Learning Day. They observed 7 lessons, talked with pupils about their experiences of learning, looked at Pupil Premium workbooks and went through weekly plans for some of our teachers. Governors loved the displays around school and how they illustrate all the fantastic learning that is taking place.

The Governors talked with pupils, all of whom said that they liked school and knew what to do if they were worried about something. The pupils were all very happy and enthusiastic. Across the school, I believe the relationships between adults and pupils is great, there is mutual respect and pupils are valued. Our Governors recognised the high level of quality teaching and learning that is in place.

Thank you to the Governors for spending the day with us and for Tarragon students for providing a wonderful lunch.
