They are all very motivated and are showing great stamina and camp craft skills ready for the big day. Well done everyone!

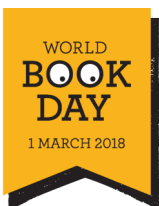

BUILDING UPDATE - LISA PARKER

I hope that you all have a happy half term holiday. When pupils return to school, the current phase of the building work should be finished, which we are very excited about. We will have a new entrance with automatic doors, something we have wanted for a long time. At the front of the school we have a wonderful new suite of therapy rooms. We are also excited to see the ongoing development of Warmley Park College which is almost finished and will open later in the year. There will be further work starting in the Summer term which will see development of specialist teaching rooms. Thank you to everyone for your patience during this recent phase of the building work, I am sure you will agree, the school is looking very smart!
