We are delighted to have been awarded the 'Health in Schools' bronze award. Our feedback was very positive:

Overall judgment: 'The overall judgment from the evidence in your audit is good and meets the requirements for the Bronze award. Your audit demonstrates how the processes and systems in your school contribute to the promotion of 'health and wellbeing' in the taught curriculum, the school environment, and across the school community. Strengths: Evidence shows the positive approach taken to developing skills for life through a robust PSHE programme of education, complemented with strong community links to support older students to develop independent living skills.'

Well done to everyone for their hard work on achieving this award!

Easter Bonnet Parade and Easter Egg Hunt

Don't forget The Primary Department will be having an Easter Bonnet Parade and Easter Egg Hunt on Thursday 22 March. Parents/Carers are invited to make an Easter Bonnet for their child, and also attend the event which will be held here at school at 2pm. Refreshments will be provided. We look forward to seeing you there.

Donations for the Primary Department

The Primary Department would appreciate any outdoor equipment you may have at home that you no longer use. They are particularly looking for sand/water trays and toys, scooters, bikes and balls. Thank you!
