TERM 4 REVIEW

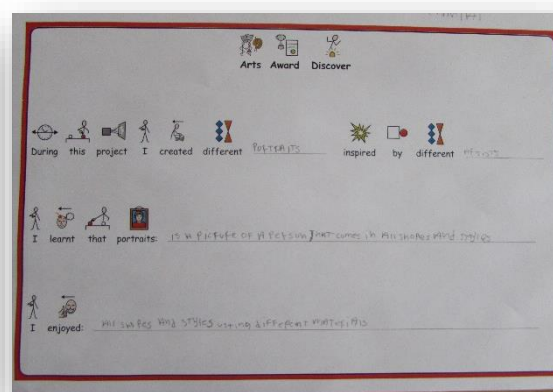

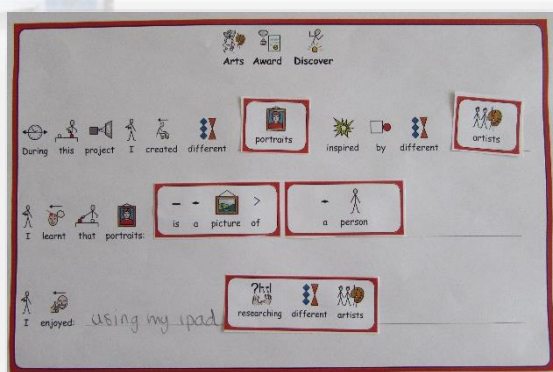

Here we are, with spring finally putting in an appearance and the clocks ready to change. It has been a busy term as always. The building work has progressed very well and we are now having a break from it for a few weeks. We have had success with our sports and offsite activities including: meeting Princess Anne and Prince Edward at All Aboard Watersports; a team representing the school in Exeter at the regional Boccia championships and trophies being won at local pentathlon events! World Book Day was a great success, there were animals everywhere! School Council have made some videos about looking out for each other and have written their own version of a Safeguarding Policy. We have been awarded the 'Health in Schools' bronze award and are continuing to work towards our UNICEF Rights Respecting School award. Staff have received training in Emotion Coaching and we are carrying out a South Gloucestershire research project on this. Pupil attendance has improved this term. Next term we have the Spring Show, a bit more building work, and a lot of exciting learning. I hope that you all have a very happy Easter holiday!

Lisa Parker
Headteacher

CELEBRATING OUR ACHIEVEMENTS

The Post-16 art group have been completing their 'Arts Award.' Here are Lewis and Chantal proudly showing us their amazing work with explanations of what they have learnt and enjoyed during this project. Watch out Banksy the students at Warmley Park are giving you a run for your money!!

CHAMOMILE – SPLATTER PAINTING

Chamomile class enjoyed learning about the Hindu festival of colour, Holi. We learnt why people in India throw paint at each other and then had a go at some splatter painting of our own outside! Everyone had a great time splatting lots of colour onto the paper.
