Jubilee Challenge

Congratulations to the Post 16 students who successfully completed the Jubilee Challenge last Saturday, 12th May - we are so proud of this fantastic achievement. The Jubilee Challenge is what it says - a challenge! It takes resilience, determination and a high degree of physical fitness, all of which our students showed in bucketfuls! A special thanks to all the amazing WPS staff who gave up their time to support and encourage our young people, their dedication to making the experience as fun and memorable as possible was truly commendable. Thank you to the parents/carers who supported us in preparing the students for the event and especially those who travelled down to Okehampton to cheer everyone on.

Bristol Family Cycling Centre at Hengrove opened in the Spring of 2016 on the site of the former Whitchurch athletics track. It gives people of all ages and abilities the chance to ride in a traffic-free environment. Families might be interested in exploring what the Bristol Family Cycling Centre has to offer during half-term. There are open inclusive and disability inclusive sessions available during the week. The centre has a range of adapted bikes and uses the running track of the old Whitchurch Sports Centre for its activities. Details can be found at: <https://betterbybike.info/start-cycling/get-confidence/cycling-centres/family-cycling-centre>. Details of Warmley Wheelers and other bike projects can be found at: <https://betterbybike.info/start-cycling/get-confidence/cycling-centres>
