Newsletter No 23 – 13th July 2018

New Minibus

Last Friday, we were given a truly fantastic gift from Warwick and Betty, parents of Harry, through their association with Honda - a new minibus! We are so grateful for this very kind gesture as it means that even more community learning will be able to take place. A number of pupils tried out the minibus when it was delivered. Thank you very much Warwick, Betty and Harry for this generous gift. Through Honda, we have also received furniture to help us with setting up the new College which is also appreciated.

HAPPY'S CIRCUS

I hope that everyone who attended the circus on Monday had an enjoyable evening, it was great to see so many families having such a great time. Thank you to the Friends of Warmley Park who organised the event - especially Kim, Bev, Helen, Suzie and Leanne. There were a number of others who helped out on the evening to make it such a success including staff, parents and local Scout groups. As well as it being a very entertaining evening we raised over £400!

Bay Class Visit to Bristol Zoo

Bay Class visited Bristol Zoo last Tuesday. As you can see, they all had a wonderful day. They particularly enjoyed seeing the lions, visiting the Aquarium and playing in the adventure playground.

Celebrating our Work!

Ranjeet in Sage Class has been busy this week and produced these amazing drawings of himself and all of his friends. They are really creative and detailed. Great work Ranjeet!

Sports at Warmley Park

Warmley Park students have been very busy with PE and sports competitions over the last 2 weeks.

Sports Week

The annual Sports week consisted of 4 separate 'sports days' and included multi skills events for our primary pupils in very warm conditions! Lots of parents attended and the pupils enjoyed taking part in a wide range of fun games and activities. The activity delivery was aided by coaches and young leaders from Downend secondary school. Our secondary and Post 16 students participated in 'athletics themed' sports days, consisting of a range of athletics events and relays with sports coaches aiding delivery. Throughout the week classes also competed in the annual target games inter-class competition. This is always good fun, and is keenly contested by all the staff ... I mean pupils!

Regional Primary Panathlon Competition

A team of students, as county Wesport champions, travelled to Swindon to compete against other county winners from Wiltshire, Gloucestershire, Worcs and Herefordshire in the Penathlon games. It was a fantastic event with the scores very close at the end. Warmley finished a respectable 3rd overall.

Panathlon Swimming Gala

Two teams of six pupils went along to the first Wesport County Special School Swimming Gala held at Filton pool. The Primary team finished 2nd and the secondary team managed 1st place overall. The activities in the pool were a combination of races and also inclusive, fun games.

The Pants Rule

In Tresco tutor group, we have been learning about the pants rule during our SRE sessions. The pants rule is an NSPCC resource aimed at keeping young people safe. Here are some of the great designs we have been working on. The link below maybe useful for parents to have a look at:

<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/underwear-rule/>

End of Year Celebrations

18th July - Secondary Celebrations at 10.00am

18th July - Primary Celebrations at 2.00pm

19th July - Leavers' Assembly at 10.00am
