

Warmley Park School and College

Aspire, Believe, Enhance, Achieve

Newsletter No 24 – 07th September 2018

A New School Year!

We are pleased to welcome 23 new pupils and students to Warmley Park: Henry, Wade, Anastasia, Azaan, Enzo, Tyler, Cameron, Teyana-Mae, Siarah-Jane, Asaan, Isabel, Cassie-Jane, Corey-Joe, Coby, Rio, Madeleine, Andrea, Cristian, Amber, Grace, Kieran, Jack, and Wesley.

On 1st September, we officially became Warmley Park School and College. The college has its own very smart entrance which can be found further up the lane. We have a number of exciting plans for this year including implementing our post Ofsted action plan, completing the building work, and further developing the curriculum.

We are now entering the final phase of our building work- yay! This will see the completion of the classrooms, the admin area, and redevelopment of specialist teaching rooms. There will be some class moves to facilitate this over the next 8 weeks. We anticipate that this phase will be completed by the end of the October half term. Classes will be then moving into their final destinations. Post 16 students are moving into the college from the beginning of this term.

South Gloucestershire Council have supported us through the whole of the construction. The £5.6 million investment has totally transformed the school. I would like to thank the staff and pupils for their patience and for continuing the quality of teaching and learning through this period of positive change.
