Aspire, Believe, Enhance, Achieve

Newsletter No 25 – 14th September 2018

Friday 21st September 2018

'Jeans for Genes Day is all about raising money to help some of the most vulnerable children in the UK. It is estimated that one in 25 children is affected by a genetic disorder, 30,000 babies and children are newly diagnosed in the UK each year.'

On Friday 21st September, Warmley Park School and College will be supporting this wonderful charity by inviting pupils, students and staff to wear jeans to school and bring in a small monetary donation on the day. Cameron is already wearing his 'Jeans for Genes Day' t-shirt and would love all his Warmley Park friends to look as cool as he does and show their support for this great cause!

MacMillan Cancer Support

On Friday 28th September at 10am, we will be participating in the World's Biggest Coffee Morning for MacMillan Cancer Support. Please come along and enjoy a cup of tea/coffee and a delicious piece of cake with us in our new College, situated just behind the main school. Feel free to bring family members/friends along to help us raise lots of money for this fantastic charity. You are welcome to bring cake donations on the day or send them into school if you are unable to attend... any donations would be greatly appreciated. Thank

Who's Who and What do they Do??

Earlier this week we sent home details of all staff who work at Warmley Park School and College. We apologise to Helen Wilshire who was inadvertently left off the list. Helen is one of our wonderful Teaching Assistants and works in Bay Class.

School Photographs

A photographer from Colorfoto will be coming to school on Wednesday 14th November. The photographer will take pictures of all pupils, which will then be available for you to purchase.

'diddi dance' classes are designed to engage and inspire children's own creativity by using action songs, dancing games, fun exercises, hoops and dance ribbons to dance along to our own funky pop songs.
