## History Week and Remembrance

In Chamomile Class last week, we did a range of activities to do with Remembrance and what life was like in Britain 100 years ago. On Monday, we made parkin using a 100 year-old recipe. It didn't set very well, but it tasted good. On Tuesday we made poppy decorations for the wonderful Remembrance display in the hall, which parents were able to see at our Coffee Morning on Wednesday. On Thursday in PE, we played games from 100 years ago, like hopscotch and hoop rolling. In English we learned about animals which served in wars and each made a medal for a brave animal. On Friday we learned about the jobs children did in World War 1 and had a go at digging and raking in the horticulture area. It was a great week which we really enjoyed.
