Newsletter No: 02– 18th January 2019

Hello, I'm Shaun, the new Lead Professional for Family Support at Warmley School and College.

A little bit about me - I've been the Lead Learning Mentor at Woodstock School in Henbury, Bristol for 12 years. For those of you who don't know Woodstock, it's a primary day provision for children with Social, Emotional and Mental Health needs (SEMH). This role involved working closely with children and families who were among the most traumatised and vulnerable in Bristol and its surrounding counties. It's a body of work I'm very proud of. I've also worked in mainstream settings (primary and secondary) and with children, young people and adults with MLD and SLD and associated/similar needs in Post 16 settings and in residential homes in Devon. I'm a Thatcher by trade, I've been an Outdoor Education Instructor and I spent some time as a suit salesman - diverse I know! Please feel free to contact me on the main school number if you have any concerns or would like support or advice. I look forward to meeting you.
