2018

School Council

talked

about

getting

a

dog

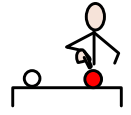

for

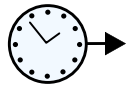

the

school.

This

would

help

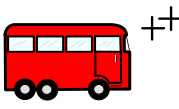

children

stay

calm.

Buses

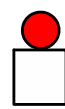

arrive

at

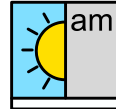

school

on

a

morning

and

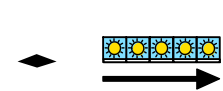

children

have to

wait

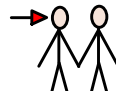

a

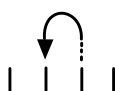

long time

on

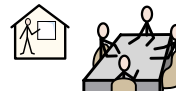

them

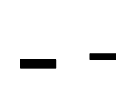

before

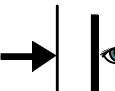

getting off.

School Council

are

to

look at

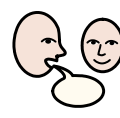

the

problem

and

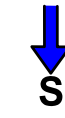

talk to

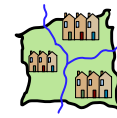

someone

in

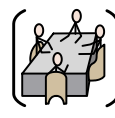

South

Gloucestershire

Council

about

it.

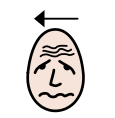

Sometimes

children

feel

worried

and

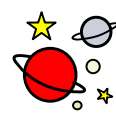

need

a

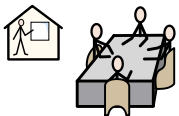

safe

space

to go.

School Council

will

think about

what

might

work

in

the

school.

The

gates

to

the

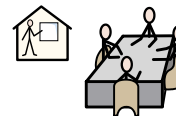

college

are

closed.

School Council

want to

know

why?
