2018

School Council

looked at

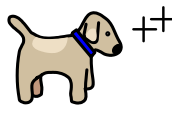

a

website

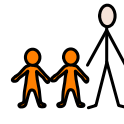

called

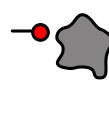

Dogs

helping

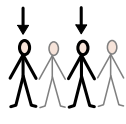

kids.

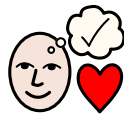

It

has

some

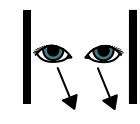

interesting

things

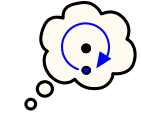

to

look at

and

think about.

2

Two

students

are

going to

be

asked

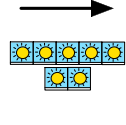

to

come to

School Council

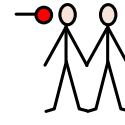

next week

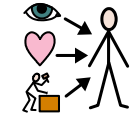

to

talk about

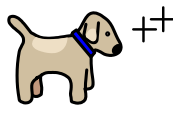

their

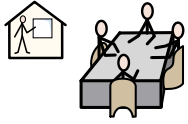

experiences

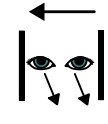

with

dogs.

School Council

looked at

a

safe

space

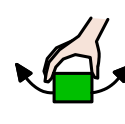

logo

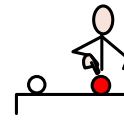

and

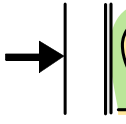

will

use

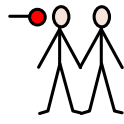

this

to

design

their own.

Last week

2

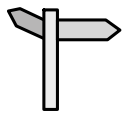

two

students

visited

where

the

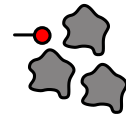

builders

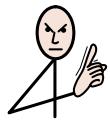

are

working.

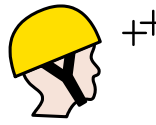

They

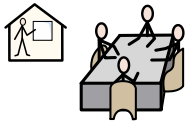

had to

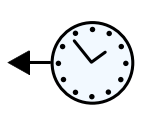

wear

hard hats.

School Council

had

a

2

two

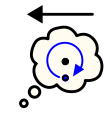

minute

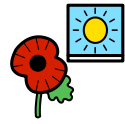

silence

and

thought about

poppy day.
