

School Council

Wednesday

24th

October

2018

Some members of School Council are to have visits to Three Ways School and Wallscourt Farm

Academy, where they have dogs. Holly Hedge is somewhere else we will visit. There are two

other students that we are going to ask to help as they know a lot about dogs.

David is to send an email to all the staff asking what time they see the buses waiting

outside the school on a morning.

School Council are going to design a sign that shows where there are safe and quiet spaces in

the school.

Lisa is to arrange a tour of the new building for the members of School Council who want to

have a look

School Council are to remind people that they can send cards to people who have left the

school and they miss.

Pete is to talk with Alison about buying sports equipment for the playground.

We are to ask the Police to come and talk about how we can keep ourselves safe online, on

trains, on the cycle track, at home and school.
