

Warmley Park School and College

Aspire, Believe, Enhance, Achieve

Newsletter No: 10– 05th April 2019

The School Council have been busy again this week and they've come up with some ideas for Soccer Aid 2019. Soccer Aid will be taking place at Warmley Park on Friday the 14th of June. Activities on the day will include an obstacle course to test our skills and a Beat the Goalie penalty shoot-out. Warmley Park will also be creating its own Football Dance especially for the day. Keep your eye out for further news on Soccer Aid in next terms newsletters. <https://www.socceraid.org.uk/>

Scent of the Day

The School SLT Service are in the process of launching in every class, a Scent of the Day Pack. The aim is to develop all of the students' concept of time by drawing upon their sensory system. This is in addition to the use of specific vocabulary that is presented on a vocabulary board and supported with signing and spoken language. This total communication approach allows for supporting all levels of ability with plenty of room for extending each students understanding of the days of the week.

Makaton

As always we are passionate about supporting our students with signing. The staff team are keen to think more about functional ways to further develop signing to support both comprehension and expressive language skills. Signs of the fortnight and signs to support specific seasonal celebrations, in addition to core concepts are being modelled and even posted on the Schools Twitter account. Keep an eye out for the TV in the main reception showing some signs you can practice yourselves!

Paying for School Dinners with SIMS Agora

You will have recently received an email telling you about an exciting 'cashless' system that we are now using in school to pay for school dinners. It is a simple and efficient way of paying with a debit/credit card for your child's school dinners. The link is easy to follow and will ask you to set up using a password system. If you haven't received a link or need any assistance please call the school office on 01454 867272. Thank you.

IEP Meetings

Please be aware that IEP meetings will be held on 8th and 9th May, a little earlier than usual. Thank you.

Supportive Parents is a charity providing information, advice and support to parents, children and young people with any type of Special Educational Needs & Disabilities (SEND). Our support group meets monthly to give you the opportunity to meet other parents, share your experience/concerns and find out more about SEN.
