In the past we have tried to carry out pupil surveys to find out what they think about school and college. We have felt that these do not necessarily give a true representation of all aspects of school life, so we are doing something different this year. We will be holding 3 'Have Your Say' days from 9<sup>th</sup>-11<sup>th</sup> March. This will include observations of pupils in the playgrounds, time-lapse photos of the day for some pupils, dinner surveys, student ambassador meetings with pupils, and surveys for parents/carers and staff to find out what they think it is like to be a pupil at Warmley Park. We will be sending home a link to our parent/carer survey next week.

We would like to give a big welcome to Jasmin who has joined us in the Secondary department. It is great to have you with us Jasmin and we hope that you will enjoy your learning at Warmley Park and make lots of new friends.

Thursday 5<sup>th</sup> March is World Book Day. Students and pupils are invited to come to school dressed as their favourite book character, or in home clothes if they prefer. There will be lots of exciting book-related activities taking place throughout the day!

Hola! Please come along to Coriander Tutor Groups' Spanish Café on Thursday, 12<sup>th</sup> March 10.15 – 11.15am. There will be a selection of food and drinks available. The pupils have been working really hard to speak in Spanish at snack time and would love to showcase their hard work by speaking in Spanish to you at this event. They will also present a little talk (in English!) about a Spanish speaking country. We look forward to seeing you there.

If you have any Lego at home that you no longer need, The Secondary department could make really good use of it at school! Thank you.

Marks & Spencer are giving away a free seedling kit when you spend £20 in the foodhall. The HLTA team would love to collect as many of these as possible to use as an intervention resource. The ladies in the office will gladly accept any donations! Many thanks in advance.
