

# Warmley Park School and College

*Aspire, Believe, Enhance, Achieve*

Newsletter No: 12 – 24<sup>th</sup> April 2020

I hope that you are all keeping well and had some time to relax over the Easter break.

Our position remains that we have opened school for a very small number of pupils to attend. You may have heard that the Government has started mentioning the reopening of schools. At this stage we do not know when this will be or what it will look like, we will keep you informed. For pupils who are at home, staff will continue to send home learning opportunities. If you are finding it difficult to establish a routine for your child to be working at home, please seek advice during your welfare call. We are also happy to increase the amount of work for home learning if required, however we do not want to overburden families. Thank you for your engagement with the welfare calls, we will be continuing these but you are able to contact us in an emergency situation via the school email [school@warmleyparkschool.org.uk](mailto:school@warmleyparkschool.org.uk) or 07494 587912.

If you are concerned about the welfare of a child please call the Access and Response Team. Safeguarding children is everyone's responsibility. IF IN ANY DOUBT SPEAK OUT

To report concerns about a child:

- 01454 866000 Monday to Thursday 9.00 – 5.00, 4.30 on Friday
- 01454 615165 out of hours and at weekends
- If a child or young person is in immediate danger then please dial 999 and ask for police assistance

As the weeks go on, we are aware that adjusting to a new way of living can be challenging. With the latest government advice that the lockdown is continuing please make sure that you are taking care of your mental wellbeing.
