

Bespoke Consultancy & Education Ltd

**Do you employ your own care & support staff with either a direct payment, personal health budget (PHB) or your own money?**

## **Did you know there is funding available for training both you and your PA's / Carers?**

At BCE we value and respect you as an Individual Employer. We have extensive experience in working with Individual Employers and their Personal Assistants (Carers who are directly employed by you or your family) that either self-fund, receive a Direct Payment and/or Personal Health Budget.

Our passion is to ensure that you receive safe support of the highest standard.

We can visit you at home, complete a training plan for both you and your PA's/Carers specific needs, we can assist you fill out the forms and gain access full funding for your training that will not affect any benefits or payments that you receive.
